(formerly known as Linn Energy, LLC) (“Successor,” “LINN Energy” or the “Company”), the intent is to refer to LINN Energy, a Delaware corporation formed in February 2017, and its consolidated subsidiaries as a whole or on an individual basis, depending on the context in which the statements are made. Linn Energy, Inc. is a successor issuer of Linn Energy, LLC pursuant to Rule 15d-5 of the Securities Exchange Act of 1934, as amended (the “Exchange Act”). Linn Energy, Inc. is not a successor of Linn Energy, LLC for purposes of Delaware corporate law. When referring to the “Predecessor” in reference to the period prior to the emergence from bankruptcy, the intent is to refer to Linn Energy, LLC, the predecessor that will be dissolved following the effective date of the Amended Joint Chapter 11 Plan of Reorganization of Linn Energy, LLC and Its Debtor Affiliates Other Than Linn Acquisition Company, LLC and Berry Petroleum Company, LLC (the “Plan”) and resolution of all outstanding claims, and its consolidated subsidiaries as a whole or on an individual basis, depending on the context in which the statements are made.

LINN Energy is an independent oil and natural gas company that was formed in February 2017, in connection with the reorganization of the Predecessor. The Predecessor was publicly traded from January 2006 to February 2017. On May 11, 2016, Linn Energy, LLC, certain of its direct and indirect subsidiaries, and LinnCo (collectively, the “LINN Debtors”) and Berry (collectively with the LINN Debtors, the “Debtors”), filed voluntary petitions for relief under Chapter 11 of the U.S. Bankruptcy Code (“Bankruptcy Code”) in the U.S. Bankruptcy Court for the Southern District of Texas (“Bankruptcy Court”). The Debtors’ Chapter 11 cases were administered jointly under the caption In re Linn Energy, LLC, et al., Case No. 16-60040. During the pendency of the Chapter 11 proceedings, the Debtors operated their businesses as “debtors-in-possession” under the jurisdiction of the Bankruptcy Court and in accordance with the applicable provisions of the Bankruptcy Code. The Company emerged from bankruptcy effective February 28, 2017 (the “Effective Date”).

LINN Energy is filing this Amendment No. 1 on Form 10-K/A (the “Amended Filing”) to the Company’s Annual Report on Form 10-K for the fiscal year ended December 31, 2017 (the “Original Filing”), filed with the Securities and Exchange Commission (“SEC”) on February 27, 2018, solely to disclose all Part III information. SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

The Company has no securities registered pursuant to Section 12 of the Exchange Act; thus the provisions of Section 16(a) of the Exchange Act are not applicable to the Company.

CORPORATE GOVERNANCE

Codes of Ethics

The Company has adopted a Code of Business Conduct and Ethics, which sets forth legal and ethical standards of conduct for all the Company's employees, as well as the Company's directors. The Company also has adopted a separate code of ethics which applies to the Company's Chief Executive Officer and Senior Financial Officers. All of these documents are available on the Company's website, www.linnenergy.com, and will be provided free of charge to any shareholder requesting a copy by writing to the Company's Corporate Secretary, Linn Energy, Inc., 600 Travis, Houston, Texas 77002. If any substantive amendments are made to the Code of Ethics for the Company's Chief Executive Officer and Senior Financial Officers or if the Company grants any waiver, including any implicit waiver, from a provision of such code, the Company will disclose the nature of such amendment or waiver within four business days on its website. The information on the Company's website is not, and shall not be deemed to be, a part of this filing or incorporated into any other filings the Company makes with the SEC.

Communications to the Company's Board of Directors

The Company's Board has a process in place for communication with shareholders. Shareholders should initiate any communications with the Company's Board in writing and send them to LINN Energy's Board c/o Candice J. Wells, Senior Vice President, General Counsel and Corporate Secretary, Linn Energy, Inc., 600 Travis, Houston, Texas 77002. All such communications will be forwarded to the appropriate directors. This centralized process will assist the Company's Board in reviewing and responding to shareholder communications in an appropriate manner. If a shareholder wishes for a particular director or directors to receive any such communication, the shareholder must specify the name or names of any specific Board recipient or recipients in the communication. Communications to the Company's Board must include the number of shares owned by the shareholder as well as the shareholder's name, address, telephone number and email address, if any.

Board of Directors

Composition and Independence

The Company is traded on the OTCQB market, the applicable standards of which do not require the Company to have a majority of independent directors; however, each of Mr. Lederman, Mr. Taylor, Mr. Bonanno and Mr. Brown meet the definition of Independent Director in NASDAQ Marketplace Rule 5605(a)(2). Mr. Ellis and Mr. Rottino do not meet the NASDAQ definition of Independent Director because they are employees of the Company.

Meetings of the Board of Directors

The Board holds regular and special meetings from time to time as necessary. Regular meetings may be held without notice on dates set by the Board. Special meetings of the Board may be called with 24 hours' notice to each member (unless waived) upon request of the Chairman of the Board, the Chief Executive Officer or any two Board members. A quorum for a regular or special meeting will exist when a majority of the members are participating in the meeting either in person or by conference telephone. Any action required or permitted to be taken at a Board meeting may be taken without a meeting, without prior notice and without a vote if all of the members sign a written consent authorizing the action.

During 2017, the Board held four regular and eleven special meetings. The standing committees of the Company's Board held an aggregate of six meetings during this period. Each director attended at least 75% of the aggregate number of meetings of the Board and committees on which he served. Due to requirements contained in the Company's Restated Certificate of Incorporation following its emergence from bankruptcy, the Company did not hold an annual meeting in 2017.

Leadership Structure

The Board determined that Mr. Lederman, as representative of one of the Company's largest shareholders, should serve as Chairman of the Board, while Mr. Ellis would serve as Chief Executive Officer. The Board believes that this is the most effective leadership structure for the Company because the Board, acting through its Chair, intends to have an active role in the management of the Company's business.

Committees of the Board of Directors

The Board has an Audit Committee and Compensation Committee with the members identified below. Subsequent to the Effective Date, the Board does not have a Nominating and Governance Committee, and directors and nominees are selected in accordance with the Company's Restated Certificate of Incorporation.

BOARD MEMBERS	AUDIT COMMITTEE	COMPENSATION COMMITTEE
Evan Lederman		
Matthew Bonanno		
Phillip Brown		
Andrew Taylor		
Mark E. Ellis		
David B. Rottino		

Chair

Member

The Board adopted a written charter for each of these committees, which sets forth each committee's purposes, responsibilities and authority. Each committee reviews and assesses, on an annual basis, the adequacy of its charter and recommends any proposed modifications. These committee charters are available on the Company's website at www.linnenergy.com. You may also contact Candice J. Wells, the Company's Senior Vice President, General Counsel and Corporate Secretary at Linn Energy, Inc., 600 Travis, Houston, Texas 77002, to request paper copies free of charge. The following is a brief description of the functions and operations of the standing committees of Board.

Audit Committee

During 2017, the Audit Committee held four meetings. The Audit Committee assists the Board in its general oversight of the Company's financial reporting, internal controls, audit functions and oil and natural gas reserves, and is directly responsible for the appointment, retention, compensation and oversight of the work of the Company's independent public accountant. The Company's Audit Committee also reviews, on an annual basis, related party transactions and determines if the related party transaction is in the best interest of the Company. The report of the Company's Audit Committee appears under the heading "Report of the Audit Committee."

The standards of the OTCQB market applicable to the Company do not contain requirements regarding the composition of the Audit Committee. Each of the members of the Company's Audit Committee is financially literate, but the current Audit Committee likely does not meet the other requirements contained in NASDAQ Marketplace Rule 5605-4 regarding Audit Committee Composition because three of the four members may not meet the criteria for independence set forth in Rule 10A-3(b)(1) under the Exchange Act. Each of Messrs. Lederman, Taylor and Bonanno represent a fund or funds that own greater than 10% of the Company's outstanding common stock and thus each may be deemed an "affiliate" under the rule.

Compensation Committee

The Compensation Committee's primary responsibilities are to: (i) approve the compensation arrangements for the Company's senior management, including establishment of salaries and bonuses and other compensation for the Company's executive officers, (ii) to approve any compensation plans in which the Company's officers are eligible to participate and (iii) to administer such plans, including the granting of equity awards or other benefits under any such plans. During 2017, the Compensation Committee held two meetings.

The standards of the OTCQB market applicable to the Company do not contain requirements regarding the composition of the Compensation Committee. Because the Company qualifies as a “smaller reporting company” under the Exchange Act and each of the members of the Compensation Committee meets the definition of an Independent Director, the current Compensation Committee meets the composition requirements under NASDAQ Marketplace Rule 5605-6.

Report of the Audit Committee

The Audit Committee oversees the Company’s financial reporting process on behalf of the Board. Management has the primary responsibility for the preparation of the financial statements and the reporting process, including the systems of internal control. With respect to the consolidated financial statements for the year ended December 31, 2017, the Audit Committee reviewed and discussed the consolidated financial statements of LINN Energy and the quality of financial reporting with management and the independent public accountant. In addition, it discussed with the independent public accountant the matters required to be discussed by Auditing Standard No. 16, *Communications with Audit Committees*, as adopted by the Public Company Accounting Oversight Board (“PCAOB”) on August 15, 2012. The Audit Committee also discussed with the independent public accountant its independence from LINN Energy and received from the independent public accountant the written disclosures and the letter from the independent public accountant complying with the applicable requirements of the PCAOB regarding the independent public accountant’s communications with the New Audit Committee concerning independence. The Audit Committee determined that the non-audit services provided to LINN Energy by the independent public accountant are compatible with maintaining the independence of the independent public accountant.

Based on the reviews and discussions described above, the New Audit Committee recommended to the Company’s Board that the consolidated financial statements of LINN Energy be included in the Original Filing.

Assumptions used in the calculation of these amounts are included in Note 15 to the Company’s audited consolidated financial statements included in the Company’s Annual Report on Form 10-K for the year ended December 31, 2017. These calculations assume full achievement of all performance conditions applicable to the Class B Units granted under the Holdco LLC Plan, as such performance conditions have been satisfied as of the date of this submission. The Company granted no share-based awards during the year ended December 31, 2016. Mr. Rottino's employment agreement subjects him to assignment of business opportunities and perpetual confidentiality covenants, a non-compete obligation that restricts his ability to compete with the Company's business during employment, and a non-solicitation obligation that restricts his ability to solicit the Company's employees, clients and customers, both during employment and for one year following his termination, unless the termination is without Cause or for Good Reason and occurs within six months before or two years after a Change of Control (as defined in the agreement), in which case the post-termination non-solicit obligation does not apply.

Arden L. Walker, Jr., Executive Vice President and Chief Operating Officer

The Company entered into a Second Amended and Restated Employment Agreement with Mr. Walker, effective February 28, 2017, that provides for an annual base salary of not less than \$500,000, subject to annual review and upward adjustment by the Board, in its sole discretion. Mr. Walker is entitled to receive cash incentive compensation payable at the sole discretion of the Board. The Board may, in its discretion, set, in advance, an annual target bonus for Mr. Walker, and for 2016, the Board set Mr. Walker's target bonus at 100% of his annual base salary. Mr. Walker is eligible for long-term incentive compensation awards at the discretion of the Board. Mr. Walker is entitled to participate in and to receive benefits as a senior executive under all of the Company's employee benefit plans, programs and arrangements available to senior executives,

subject to the eligibility criteria and other terms and conditions thereof, as such plans, programs and arrangements may be duly amended, terminated, approved or adopted by the Board from time to time.

Mr. Walker's employment agreement subjects him to assignment of business opportunities and perpetual confidentiality covenants, as well as non-solicit and non-compete obligations that restrict his ability to compete with the Company's business and solicit the Company's employees, clients and customers, both during employment and for one year following his termination, unless the termination is without Cause or for Good Reason and occurs within six months before or two years after a Change of Control (as defined in the agreement), in which case the post-termination non-compete and non-solicit obligations do not apply.

2016 Executive Incentive Plan

The Predecessor's Compensation Committee adopted the Executive Incentive Plan which was intended to enable Named Officers to earn cash compensation for 2016. Pursuant to the terms of the Executive Incentive Plan, the Committee assigned a target incentive award to each participant. The target incentive award was intended to approximate the sum of the participant's (i) target bonus amount under the Predecessor's historical Employee Incentive Compensation Program and (ii) target annual long term incentive amount under the Predecessor's long term incentive plan, each as determined by the Committee using competitive market data. Payments under the Executive Incentive Plan were made quarterly based on achievement of performance goals established by the Committee, including certain volume and cash cost metrics, at differing payout levels ranging from 50% to 200%. The total amount of all payments under the Executive Incentive Plan could not exceed the amount of the participant's target incentive award. The Executive Incentive Plan was approved by the Bankruptcy Court and all payments under the Executive Incentive Plan were permitted to be paid and not subject to disgorgement.

Linn Energy, Inc. 2017 Omnibus Incentive Plan

On February 28, 2017, the Company implemented the Omnibus Plan, pursuant to which employees, including the Named Officers, and consultants of the Company and its affiliates are eligible to receive stock options, restricted stock, performance awards, other stock-based awards and other cash-based awards. The Compensation Committee has broad authority under the Plan to, among other things: (i) select participants; (ii) determine the types of awards that participants receive and the number of shares that are subject to such awards; and (iii) establish the terms and conditions of awards, including the price (if any) to be paid for the shares or the award. For 2017, each of the Named Officers was granted awards of RSUs under the Omnibus Plan.

The RSUs are subject to time-based vesting and vested 25% on February 28, 2017 and an additional 25% on February 28, 2018 and will vest an additional 25% on each of February 28, 2019 and February 28, 2020, in each case, subject to the Named Officer's continued employment with the Company through the applicable vesting date. Pursuant to each Named Officer's employment agreement, all unvested RSUs accelerate in full upon a termination of the Named Executive Officer's employment (i) due to the Named Officer's death or Disability, (ii) by the Company or other employing affiliate without Cause or (iii) by the Named Officer for Good Reason (as each such term is defined in his employment agreement), in each case, subject to the Named Officer's timely execution and non-revocation of a release of claims in favor of the Company. Additionally, pursuant to the Named Officers' respective RSU agreements, all unvested RSUs will become fully vested upon the consummation of a Change in Control (as defined in the RSU agreement).

Linn Energy Holdco LLC Incentive Interest Plan

On February 28, 2017, Holdco LLC implemented the Holdco LLC Plan, pursuant to which Holdco LLC granted Class B Units to the Named Officers and certain other members of its management, which Class B Units are intended to qualify as "profits interests" for U.S. federal income tax purposes.

The Class B Units are subject to a time condition and a performance condition (which is either a "base" performance condition or an "appreciation" performance condition). The Class B Units (both the "base" and "appreciation" performance Class B Units) time vested 25% on February 28, 2017 and an additional 25% on February 28, 2018 and will time vest an additional 25% on each of February 28, 2019 and February 28, 2020, in each case, subject to the Named Officer's continued employment with the Company through the applicable vesting date. Approximately 43% of the Class B Units are subject to the "base" performance condition, which is satisfied once the Equity Value (as defined in the Holdco LLC Plan) equals or

exceeds \$1,606,138,731.60, and approximately 57% of the Class B Units are subject to the “appreciation” performance condition, which is satisfied once the Equity Value equals or exceeds \$2,007,673,414.50, in each case, prior to the Named Officer’s termination of employment with the Company Group (as defined in the Holdco LLC Plan). As of the date hereof, the performance conditions have been satisfied with respect to all of the Named Executive Officers’ Class B Units.

In accordance with the terms of the Holdco LLC Agreement, on July 31, 2017, the Named Executive Officers converted all of their Class B Units into Class A-2 Units. The Class A-2 Units that have not yet satisfied the time condition will continue to time vest as described above. The Class A-2 Units may be converted into Class A common stock of the Company at the election of the holder and in accordance with the terms of the Holdco LLC Agreement.

PENSION BENEFITS AND NON-QUALIFIED DEFERRED COMPENSATION

The Company does not provide pension benefits, nor does it have a non-qualified deferred compensation plan for the Company's Named Officers or any other employees. All employees, including the Company's Named Officers, may participate in the Company's Retirement Savings Plan (which is the Company's 401(k) plan). The Company provides this plan to help the Company's employees save for retirement in a tax-efficient manner. Employees, including Named Officers, can contribute the maximum amount allowed by law. In 2017, the Company made a matching contribution equal to 100% of the first 4% of eligible compensation contributed by the employee on a before-tax basis. As contributions are made throughout the year, plan participants become fully vested in the amounts contributed. The Retirement Savings Plan is a 401(k) deferred compensation arrangement and a qualified plan under section 401(a) of the Code.

POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE OF CONTROL

Upon any termination of employment with the Company, each of the Named Officers is entitled under his Employment Agreement to receive: (i) his accrued but unpaid base salary as of the termination date, (ii) any unreimbursed business expenses incurred through the termination date, and (iii) any payments and benefits to which he may be entitled under any benefit plans, programs, or arrangements (collectively, the "Accrued Obligations").

If Mr. Ellis's employment with the Company is terminated by the Company without "cause" (and other than due to his death or disability) or by Mr. Ellis for "good reason" (each, a "Qualifying Termination"), in each case, not within the six months preceding or the two years following a Change of Control, then in addition to the Accrued Obligations and subject to his execution and non-revocation of a general release of claims, Mr. Ellis will be entitled to:

- (i) A single lump sum payment (payable within 30 days of the employment termination date, "Cash Severance") in an amount equal to two times the sum of:
 - a. his base salary at the highest rate in effect at any time during the 36-month period immediately preceding the employment termination date ("Highest Base Salary"), plus
 - b. his target bonus;
- (ii) A pro-rated annual bonus with respect to the year of termination based on his target bonus ("Pro Rated Bonus");
- (iii) Any accrued but unpaid annual bonus for the fiscal year prior to the year of termination (x) based on actual performance, if the Board has already finally determined the amount of such bonus as of the termination date, or (y) equal to his target bonus, if the Board has not finally determined the amount of such bonus as of the termination date (the "Unpaid Annual Bonus");
- (iv) The Company will also pay its portion of COBRA continuation coverage, as well as pay certain costs of continuing medical coverage for six months after the expiration of the maximum required period under COBRA; and
- (v) accelerated vesting of all of Mr. Ellis's outstanding and unvested long-term incentive awards.

If Mr. Ellis's Qualifying Termination occurs within the six-month period preceding or the two-year period following a Change of Control (as defined below), then he will receive the same payments and benefits set forth above, except that

- 1) the amount of his Cash Severance will increase to three times the sum of a) his Highest Base Salary plus b) the highest annual bonus that he was paid in the 36 months immediately preceding the Change of Control ("Highest

Bonus Amount”), with such amount payable within 30 days of the employment termination date or, if the termination date precedes the Change of Control, within the 30 days following a Change of Control, if later; and

- 2) the period for continued coverage of medical benefits will be up to 18 months after the expiration of the maximum period required by COBRA.

Mr. Ellis’s Employment Agreement provides for an Internal Revenue Code Section 280G “best-net” cutback, which would cause an automatic reduction in Mr. Ellis’ Change of Control severance payments and benefits in the event such reduction would result in Mr. Ellis receiving greater payments and benefits on an after-tax basis.

If Mr. Ellis’s employment with the Company is terminated due to his death or disability, then in addition to the Accrued Obligations, he will be entitled to: (i) the Pro-Rated Bonus; (ii) the Unpaid Annual Bonus, if any; and (iii) accelerated vesting of all of his outstanding and unvested long-term incentive awards.

Messrs. Walker’s and Rottino’s respective employment agreements provide for substantially similar benefits to Mr. Ellis upon termination due to death, disability, without cause or by the employee for good reason. If Mr. Rottino or Mr. Walker is terminated without cause or by the employee for good reason within the six-month period preceding or the two-year period following a Change of Control, he will be entitled to substantially the same benefits as Mr. Ellis, except (1) Cash Severance shall be 2.5 times the sum of his Highest Base Salary and Highest Bonus Amount and (2) the period for continued coverage of medical benefits will remain up to six months after the expiration of the maximum required period under COBRA.

The definition of “Change of Control,” for each of the Named Officers is the same. “Change of Control” means the first to occur of:

- (i) any “person,” as such term is used in Sections 13(d) and 14(d) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”) (other than Linn Energy, any trustee or other fiduciary holding securities under any employee benefit plan of Linn Energy, or any company owned, directly or indirectly, by the stockholders of Linn Energy in substantially the same proportions as their ownership of common stock of Linn Energy), becoming the beneficial owner (as defined in Rule 13d-3 under the Exchange Act), directly or indirectly, of securities of Linn Energy representing more than 50% of the combined voting power of Linn Energy’s then outstanding securities;
- (ii) during any period of 24 consecutive calendar months, individuals who were directors of Linn Energy on the first day of such period (the “Incumbent Directors”) cease for any reason to constitute a majority of the Board; provided, however, that any individual becoming a director subsequent to the first day of such period whose election, or nomination for election, by Linn Energy’s stockholders was approved by a vote of at least two-thirds of the Incumbent Directors will be considered as though such individual were an Incumbent Director, but excluding, for purposes of this proviso, any such individual whose initial assumption of office occurs as a result of an actual or threatened proxy contest with respect to election or removal of directors or other actual or threatened solicitation of proxies or consents by or on behalf of a “person” (as used in Section 13(d) of the Exchange Act), in each case, other than the Board, which individual, for the avoidance of doubt, shall not be deemed to be an Incumbent Director for purposes of this Section 6.4(c)(ii), regardless of whether such individual was approved by a vote of at least two-thirds of the Incumbent Directors;
- (iii) consummation of a reorganization, merger, consolidation or other business combination (any of the foregoing, a “Business Combination”) of Linn Energy or any direct or indirect subsidiary with any other corporation, in any case with respect to which Linn Energy voting securities outstanding immediately prior to such Business Combination do not, immediately following such Business Combination, continue to represent (either by remaining outstanding or being converted into voting securities of Linn Energy or any ultimate parent thereof) more than 50% of the then outstanding voting securities entitled to vote generally in the election of directors of Linn Energy (or its successor) or any ultimate parent thereof after the Business Combination; or
- (iv) (A) a complete liquidation or dissolution of Linn Energy or (B) the consummation of a sale or disposition of all or substantially all of the assets of Linn Energy and its subsidiaries (on a consolidated basis) in one or a series of related transactions.

- (v) For the avoidance of doubt, the restructuring of Linn Energy, LLC and certain of its affiliates under chapter 11 of the Bankruptcy Code in the United States Bankruptcy Court for the Southern District of Texas (Case No. 16-60040) (the “Reorganization”) will not constitute a “Change of Control.”

DIRECTOR COMPENSATION

As of the Effective Date, the composition of the Board of Directors was determined by the Company’s charter documents, and the current Board does not receive compensation from the Company, other than reimbursement of business related expenses.
